

Eva Sabeeh

Address: Lucknow, Uttar Pradesh

Email: evasabeeh@gmail.com

Mobile: +91-956-9695-042

EDUCATION

- **Chandigarh University** Mohali, India
Bachelor of Engineering - Computer Science; CGPA: 7.50
Sept 2021 - Jun 2025
- **Spring Dale College** Lucknow, India
Intermediate (ISC); Percentage: 88.25
Mar 2020 - Feb 2021
- **Spring Dale College** Lucknow, India
Matriculation (ICSE); Percentage: 91.40
Mar 2018 - Feb 2019

SKILLS SUMMARY

- **Languages:** C++, Core Java, SQL, HTML, CSS, JavaScript
- **Frameworks:** Android Jetpack Compose, Bootstrap
- **Tools & Libraries:** Git, C++ STL
- **Platforms:** GitHub, Figma, Visual Studio Code, Android Studio
- **Courseworks:** Data Structures, Object Oriented Programming, Database Management System, Operating System
- **Familiar:** C, Python, Kotlin
- **Soft Skills:** Active Learning, Emotional Intelligence, Task Management, Workability

ACADEMIC PROJECTS

- **Optimized Travel Route Planner** *C, C++, Data Structure*
 - Implemented Dijkstra's Algorithm to determine the optimal flight between the origin and destination.
 - Mainly uses Graph which takes the source and destination as an input parameters.
 - Returns an .html file displaying the calculated route based on user-defined preferences such as the cheapest or fastest.
- **Melofy - Spotify inspired app** *Kotlin, Jetpack Compose, Material UI*
 - Developed an Android playback application entirely in Kotlin.
 - Leveraging Jetpack Compose for sophisticated UI design and ExoPlayer for seamless media playing.
 - Focused on UI development which utilizes modern Google Material Design to ensure an intuitive user experience.
- **Bookmania - Digitized bookstore** *HTML, CSS, JavaScript, Bootstrap*
 - Utilized Bootstrap framework to build responsive and mobile-first layout, streamlining development and ensuring cross-browser compatibility.
 - Designed and structured the website with a focus on clean, semantic HTML for accessibility and SEO optimization.

CERTIFICATIONS

- NPTEL certified in **Introduction to Programming through C++**
- Coursera certified in **Core Java** Specialization
- Coursera certified in **Create the User Interface in Android Studio**
- Coursera certified in **Front-End Web UI Frameworks and Tools: Bootstrap 4**

ACTIVITIES & ACHIEVEMENTS

- LeetCode **500+** problems solved
- Member of Student Council (2017 - 2018)
