Eva Sabeeh

Address: Lucknow, Uttar Pradesh   Email: *evasabeeh@gmail.com*

Mobile: +91-956-9695-042

EDUCATION

- **Chandigarh University**   Mohali, India
  *Bachelor of Engineering - Computer Science; CGPA: **7.50***   *Sept 2021 - Jun 2025*

- **Spring Dale College**   Lucknow, India
  *Intermediate (ISC); Percentage: **88.6***   *Mar 2020 - Feb 2021*

- **Spring Dale College**   Lucknow, India
  *Matriculation (ICSE); Percentage: **91.4***   *Mar 2018 - Feb 2019*

SKILLS SUMMARY

- **Languages:**   C++, Core Java, SQL, HTML5, CSS, JavaScript (Basic)
- **Frameworks:**   Android Jetpack Compose, Bootstrap
- **Tools & Libraries:**   Git, C++ STL, Android Jetpack Compose, Bootstrap
- **Platforms:**   Visual Studio Code, Android Studio, GitHub, Figma
- **Familiar:**   C, Python
- **Courseworks:**   Object Oriented Programming, Database Management System, Operating System, Data Structures & Algorithms
- **Soft Skills:**   Active Learning, Emotional Intelligence, Task Management, Workability

ACADEMIC PROJECTS

- **Optimized Travel Route Planner**   *C, C++, Data Structure*
  - Implemented Dijkstra's Algorithm to determine the optimal flight route between the origin and destination.
  - Mainly uses Graph which takes the source and destination as an input parameters.
  - Returns an .html file displaying the calculated route based on two options, the cheapest or fastest.

- **Melofy - Spotify inspired app**   *Kotlin, Jetpack Compose, Material UI*
  - Developed an Android playback application entirely in Kotlin.
  - Leveraging Jetpack Compose for sophisticated UI design and ExoPlayer for seamless media playing.
  - Focused on UI development which utilizes modern Google Material Design to ensure an intuitive user experience.

- **Bookmania - Digitized bookstore**   *HTML, CSS, JavaScript*
  - Engineered a responsive and user-friendly web-based frontend.
  - Aimed at enhancing browsing and purchasing experience for users ensuring seamless navigation.

CERTIFICATIONS

- NPTEL certified in **Introduction to Programming through C++**
- Coursera certified in **Core Java** Specialization
- Coursera certified in **Create the User Interface in Android Studio**
- Coursera certified in **Front-End Web UI Frameworks and Tools: Bootstrap 4**

ACTIVITIES & ACHIEVEMENTS

- LeetCode **780+ problems** solved
- Member of Student Council (2017 - 2018)
